

John Bapst Memorial High School Memorandum

Request for Notification of Specific Pesticide Application at John Bapst Memorial High School

1) As the parent/legal guardian of a John Bapst Memorial High School student, I request notification before all specific pesticide applications are made at the school or on the school grounds except the following:

- a) Non-volatile liquids injected into cracks, crevices, or wall voids;
- b) Non-volatile baits, gels, pastes and granular materials placed in areas inaccessible to students;
- c) Paints, stains and wood preservatives;
- d) Disinfectants used for routine cleaning;
- e) Non-powdered applications of ready-to-use general-use pesticides to control or repel stinging or biting insects where there is an urgent need to protect the health or safety of students, employees or other school occupants;
- f) When school is not in session and will not be in session until the safe reentry time specified on the pesticide label has elapsed; and
- g) Indoor applications of a pesticide with no re-entry interval specified on its label but entry to the treated area is restricted for at least 24 hours.
