Friday – White Day

Hi Everyone,

We may have turned the calendar into a new year, but the pandemic crisis endures. In the short term, we are still in the holiday surge of new cases. We are optimistic that vaccines will become available for school workers in the coming months but at the moment we do not have a clear idea of when that could happen. It sounds like vaccine availability for students is even farther away. We will continue to manage through this crisis and work to protect the safety of our students and staff. Here are a few announcements as we move into the weekend.

END OF THE SEMESTER

January 22 is the end of the second quarter and also the end of the first semester. Semester grades are the grades that appear on transcripts. If your student is missing work, make sure they talk with their teachers about options to catch up.

COVID

If anyone in your household tests positive for COVID-19 or comes in close contact with someone who has tested positive, please contact a school nurse (swaring@johnbapst.org or rolmstead@johnbapst.org).

A reminder that we are following the CDC guidelines for out of state travel, the link is here. <https://www.maine.gov/covid19/restartingmaine/keepmainehealthy/faqs>

Please contact the school if you are planning out of state travel.
